Re: Saving Our Sisters (S.O.S)

Sorors and Amicae are experiencing hardship as a result of Hurricane Sandy, which hit landfall on the shores of New Jersey on Monday, October 29, 2012. At this juncture, most of the Zeta family has checked in; however, all have not. We remain optimistic that this is due to power outages; displacement and/or gas shortages and we will hear from our sisters once power is restored, they have cared for their families and can then turn to notification of Zeta. Please keep them in prayer.

As with any weather related disaster some experienced no inconvenience while others have suffered total devastation as depicted on national news. We do have members of the Zeta family that have experienced complete destruction of their homes, major property damage, have not been able to return home to assess damage or continue to experience power loss with resultant absence of refrigeration and heat. In the interim, they have sought temporary housing and have incurred unexpected hotel and lodging costs, which must now be added to the costs to replace their perishables, repair or rebuild their homes.

We are sending out this national S.O.S.—Saving Our Sisters—so that we may assist the specific soror in need. Please detach the below form, retain a copy for your records and send it along with your donation to National Headquarters. Please forward gift cards: VISA, MasterCard, American Express, gas cards, Wal-Mart, Home Depot, etc., so that they may be forwarded to individual sorors that have suffered displacement due to loss. Any amount is appreciated.

Thank you for your generosity Sorors!
